

Hornet's Nest District 2008 Cuboree
Friday, April 25th – Sunday, April 27th
5:30 pm

We will meet at CUMC at 5:30 pm and will leave no later than 5:45 pm.
Please eat supper before you arrive.

You will need a sleeping bag, pillow, change of clothes, toiletry items, flash light, and items appropriate for the weather – e.g. raincoat, hat, coat. Please check the weather report so you will be prepared.

We will be sleeping in platform tents, and you will have to carry your supplies in, so pack everything well.

You may also bring a small cooler with drinks or bottled water if you wish. You may also wish to bring some snacks. Also it comes in really handy if you have a camp chair.

All meals on Saturday and breakfast on Sunday are provided. Scouts do not need to wear their uniforms on Friday but will need to wear them for Saturday dinner and church on Sunday. Plan to wear your pack T-shirt during the day on Saturday.

It's going to be lots of fun.
